## FINDINGS OF FACT

1. This Court has jurisdiction over the subject matter of this case and there is good cause to believe it will have jurisdiction over Defendants.
2. Venue lies properly with this Court.
3. There is good cause to believe that Defendants Fisher Industries, Fisher Sand and Gravel Co., and Neuhaus & Sons, LLC., have engaged in, and are likely to engage in, acts that violate or have violated the requirements of the USIBWC pursuant to the 1970 Treaty between the United States and Mexico. 5. There is good cause to believe that the United States has suffered and will continue to suffer immediate and irreparable damage if the temporary restraining order is not granted.

6. There is good cause to believe that the threatened injury to the United States substantially outweighs any threatened harm to the Defendants.
